

Board Member Interest Form

Colorado WaterWise's Mission: connect stakeholders, provide resources, and serve as the collaborative leader in the efficient use of urban water in Colorado.

Colorado WaterWise provides resources to the Colorado conservation community. We connect stakeholders that are invested in water efficiency in the State of Colorado in order to foster integration and innovation of education and technology. We act as a forum to share ideas on successful programs; provide technical analysis tools; give access to regional water efficiency experts; and provide professional networking and educational opportunities.

Each year, Colorado WaterWise holds elections for new members of our Board of Directors at the annual meeting. These three-year terms are staggered and openings are available each year. The Board meets monthly and communication continues throughout the month by phone and email, as required. Call in capabilities exist for those Board Members who cannot attend a meeting in person. Board meeting locations change each month and an effort is made to accommodate members from locations across Colorado.

If you are interested in joining the Colorado WaterWise Board of Directors, please complete the form below and email to Melissa at admin@coloradowaterwise.org by Dec. 5, 2019.
